Islamabad, 28<sup>th</sup> April 2017

Subject: DECISION OF THE MEETING OF SENATE STANDING COMMITTEE ON  
FINANCE HELD ON 27<sup>th</sup> APRIL 2017

With reference to the meeting of Senate Standing Committee on Finance and Revenue held on 27<sup>th</sup> April 2017 in Parliament House, Islamabad wherein it was decided / recommended that in future no raid would be conducted by the FBR officials without the permission of the Chairman FBR or a Member concerned at any industry, factory or shop holders, who are taxpayers / filers.

It is worth mentioning here that any FBR officer along with the large number of security personnel enters into the premises of tax filers for threatening or harassing them without the permission of Chairman or Member FBR, will be considered as raid.

Moreover, if any such action is taking place by the FBR officers, the affected party has to complain to Chairman FBR, under intimation to this office, along with all the evidence.

Therefore, it is requested to all concerned that paying of taxes is our national duty but the harassment and threats from the concerned authorities and non-cooperation of the tax payers is also an illegal act.
